A bit about BATS Theatre

BATS Theatre is a not-for-profit theatre that aims to light up lives with live art. For over 30 years BATS has nourished various artistic communities, played a key role in developing new creative voices in Aotearoa, launched many successful careers, and become a second home for people on and off stage.

Join us in our mission to create safe spaces for artists and audiences to expand possibilities. BATS has always been the place to take a risk, so why not take a stab at what's coming up... check out bats.co.nz for more info.

Printing programmes

You're not required to produce a programme for your show, but it's a really good way to communicate a bit about your work and your creative team to your audience. They're particularly useful for reviewers, as they'll refer to programmes for key production info for their reviews.

You can print programmes off site, or on BATS office photocopier. The cost for this is 10c per black and white side and 20c per colour side plus GST. Usually, we deduct printing costs from you show's box office payout. Make sure you allow *plenty of time* for printing, as it can be very fiddly!

If you do print programmes, leave them at the Box Office for people to collect with their tickets. We don't have the facility to hand them out at the theatre doors, but you're welcome to arrange someone from your team to do this; just check in with the Box Office team about how this will work.
