

BATS Show Programme Blurb

Including a blurb about BATS in your programme will help us spread the word about what BATS is all about. Please find the text below. Feel free to shake-up the font/layout to suit your programme design, but please don't change the text itself.

Thank you!

A bit about BATS Theatre

BATS is a not-for-profit pick 'n' mix of live performance, celebrating 30 years of offering up theatrical good times. We're all about keeping tickets affordable, nurturing creative talent and supporting independent artists to get their work on stage.

Coming to shows at BATS makes you part of our vibrant passionate super-beautiful dynamic community. To find out more about our 30th anniversary and to help keep BATS flying high, visit bats.co.nz.

Printing programmes

You're not required to produce a programme for your show, but it's a good way to communicate information about your work and creative team to your audience. They're particularly useful for reviewers, as they refer to programmes for key production info for their reviews.

You can print programmes off site or on BATS' office printer. The cost for this is 10c per black and white side and 20c per colour side plus GST. We deduct printing costs from your show's box office payout. Make sure you allow *plenty of time* for printing, as it can be finicky!

If you do print programmes, leave them at Box Office for people to collect with their tickets. We don't have the facility to hand them out at the theatre doors, but you're welcome to arrange someone from your team to do this; just check in with the Box Office team about how this will work.
